

# Welcome to Chestnut class

I'm Miss Westray and I am the class teacher.

I'm Miss Radford and I am the teaching assistant.

Some days we are also joined by the wonderful Mrs T Johnson. She's super arty and brilliant at P.E.

In Chestnut class we have been working hard to develop our indoor and outdoor provision. We have created our own outdoor area full of exciting activities such as the mud kitchen, large tyres and crates, planters to grow things and a water and sand tray. Inside Chestnut class we have lots of different areas for you to explore and we have loved being able to see children's imaginations in action. Some of our areas are; make & do, home corner, construction area, investigation area, writing area and reading corner. I wonder where you will go and learn first?

I strongly believe that children learn best when they are engaged, feel safe and having fun. Myself and Miss Radford work together to try and provide lots of different, creative and inspiring learning opportunities which are exciting and interesting and use a range of different teaching styles to suit how our children learn best. We can't wait for our topics this year we already have some amazing ideas planned out!

A little bit about Miss Radford and myself. We both love anything Disney, singing and dancing and we love sweeties! The children often tell us we are very silly! I don't know where they would get that idea from. Miss Radford's favourite colour is purple and she loves a good cup of tea and football. My favourite colour is pink and I enjoy going on bike rides and adventures.

We can't wait to find out more about you!
