

Welcome to Willow Class

I'm Mrs Best and I began teaching at Holmesdale many years ago before leaving to work at other local schools. In 2010 I came back to Holmesdale for good and am proud to be part of such a wonderful school. I have a passion for working within Early Years and particularly enjoy teaching Art and other creative subjects. Out of school, I enjoy spending time with my family, going on holidays and watching films!

In Willow Class, I work with Mrs S Johnson who is in class each day. Mrs Johnson is kind, caring and always ready to help if you need anything. She enjoys playing outside, reading stories and is great at making Playdough!

In Willow Class you will also meet Mrs Vaughan. Mrs Vaughan teaches different subjects, including PE but her favourite thing to do is to work in Forest School. She will be running our on-site Forest School sessions as well as taking the children to the woods!

In Willow Class we want children to feel safe, welcome, excited, motivated and ready to learn. We passionately believe that children's well-being is crucial to achieving well at school and we hope to make your child's time with us as happy as we can. We are also there to support you as parents. We know from our own experiences how it feels to leave your child at school and we will gladly support you in any way we can.
